

Camera as pen

CAMERA AS A PEN -project is an in-service teacher training project which operates in Finnish Lapland. The project is coordinated by the municipality of Sodankylä. The first stage on teachers' film education was carried through 2004-2006. During this period the teachers developed basic knowledge on cinema culture and video technology. The next stage started in the beginning of 2007 and will last until the end of the year. During the second stage the main goal is to find ways to integrate moving image to school curriculum. The project is funded by European Social Fund, Ministry of Education and the municipality of Sodankylä.

GOALS OF THE PROJECT

- **To watch and experience films**
- **To analyse and learn cinematic language**
- **To use video as a tool for self expression, distribute information and explore culture**
- **To use video as an educational tool in different school subjects**
- **To understand cinema as an art form**
